#### **I CAN SEE YOUR HOUSE FROM UP HERE!**

Supervisor Greg Cox joins San Diego Councilman Ralph Inzunza, and Chula Vista Councilman John McCann along with the Otay Valley Regional Park Policy Committee and the Citizens Advisory Committee for a groundbreaking ceremony for the Finney Interpretive Overlook, a project that will provide spectacular views of the Otay Valley Regional Park. By adding an ADA compliant access ramp and walkway to this prominent overlook on the river valley's south side, residents will soon be able to enjoy watching the regional park take shape. Adjacent to the Finney Elementary School, the project will also provide an area for outdoor education.

**Friday, April 15 at 3:30 pm, behind Finney Elementary School, 3950 Byrd Street, San Diego**
